---

The gameplay of Alice: Madness Returns is a classic hack and slash reminds me a bit of Lollipop chainsaw but without the humour element to it and focusing more on the horror aspect in this game.. Take the Lewis Carrol original and mix it with twisted adult horror, and you'll get the idea of this upcoming title.. You're watching part 1 out of 39 Jun 14, 2011 This is a scene release: Alice Madness.
